OAHE FAMILY YMCA

US... IS EMPOWERING

The Y is a positive force in this community. Together, we take on the challenges that shape our future. From tackling the achievement gap to teaching healthy habits for a lifetime or giving others the chance to strengthen our community through volunteering, everything the Y does is in service of building a better us. One hundred percent of your gift stays local and will help create a strong community that provides:

- Development of the youngest members of our community during our KidStop after school time through organized programs that encourage learning physical activity and friendship building.
- Access to healthy-lifestyle programs for all ages by virtue of financial assistance available to those in need.
- Providing a safe space for all in our community, including the most vulnerable individuals through our unique Project 361 program.
- Re-establishing parent-child relationships through activities that foster connection, support and education.

The Y.™ For a better us.

When you donate to the Oahe Family YMCA, you make the communities of Pierre/Ft. Pierre better and the "us" who live in them stronger.

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development—all grounded in the Y's core values of caring, honesty, respect and responsibility.

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, to support those in need. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.
