

Oahe Family YMCA 2024 Annual Campaign

Working together, we can lift our community members, giving them resources and support to grow strong in spirit, mind, and body. We rely on hundreds of supporters who believe in giving back to the community to strengthen it. Your dollars make an impact in many ways. Give children confidence as they learn to swim, give a family a place to connect in a positive environment, and provide a sense of belonging to a senior who may be alone. Our Y community is all working together to make Pierre, Fort Pierre and all of central South Dakota great. Your role in this mission is invaluable and greatly appreciated.
