Taking care of our health is more important now than ever before. At the Y, we're here to help you stay active and healthy and improve your well-being in spirit, mind and body. The Oahe Family YMCA has been serving the Pierre/Fort Pierre communities for nearly 50 years and we look forward to serving for many more. We can't say "thank you" enough for your patience, support, and cooperation through our on-going efforts to resume traditional operations while prioritizing public health amidst ongoing COVID-19 concerns. On behalf of all of us at the Y, welcome back! Please be assured that your safety - and the safety of all our members, program participants, staff and volunteers - is our number one priority. We are following guidelines from health experts and local officials to ensure that our facilities meet the highest standards for hygiene and safety, and we have modified our policies and programs to facilitate safe physical/social distancing practices. The way we'll interact with each other will be different, but at the Y, you'll always be able to connect with people, improve your health and well-being, nurture your children's potential and help strengthen our community.

This exciting class is held Saturday mornings in the Aquatic Center. Boards are available in both deep and shallow water. Contact the Y for more information.

Water Fitness Classes

AI CHI – Research has shown that being submerged in water at neck-depth increases oxygen consumption by 7%-25%. Ai Chi uses a combination of deep breathing and slow, broad movements of arms, legs, and torso to provide exercise and relaxation.

AQUACISE – A shallow water workout easy on the joints yet provides great toning and increases flexibility. This class utilizes various aquatic equipment to get the most benefit from each class.

AQUA-COMBO – Cardiovascular benefits of Aqua-jog combined with the flexibility of Aquacise, make this a popular class! Participants should be comfortable in deep water with a noodle and/or flotation belt.

DEEP WATER AEROBICS - An aerobic class in the deep water to provide a non-impact workout. Participants wear an aqua jogger float belt for maximum buoyancy and movement. Need not be a swimmer but should be comfortable in deeper water.

AQUA POWER – Similar to Aquacise, this class provides a higher intensity aerobic workout combined with the joint protection that comes with exercising in the water.

AQUA ZUMBA® – Looking to make a splash by adding a low-impact, high-energy aquatic exercise to your fitness routine? Aqua Zumba® blends the Zumba® philosophy with water resistance, for one fun pool party! There is less impact on your joints during Aqua Zumba® so you can really let loose. Just add water and shake.

ARTHRITIS BASIC – This warm water workout is designed and promoted by the Arthritis Foundation. It combines an aerobic workout with low impact joint protection.

ARTHRITIS PLUS – An advanced version of the Arthritis basic incorporating aerobic, strength and stretching components with the low impact exercise of the basic class.

H2O KICK-BOXING – Think kick-boxing sounds fun but a little too rough on land? Try this water version that combines upper body and lower body moves in the water's high resistance environment.

H2O PILATES – Pilates works the body's core group of muscles to help you keep overall strength where we need it most. Try this water version and see how good it can feel.

NIFTY NOODLE – This class focuses on muscle endurance & strengthening while using a noodle and a variety of "toys" in the deep water for ultimate joint protection. Participants should be comfortable in deep water. A great workout & all round body toning.

BASIC WATER EXERCISE – Exercises for core strengthening and overall toning while placing an emphasis on protecting the back. This is a no-impact class done in shallow water. All levels and non-swimmers welcome.

WATER TABATA – More intense, challenging water exercise class. The same short, high intensity interval training you will find in the land version, done in a lower impact water environment.

Y PARTNERS CAMPAIGN

We know that lasting personal and social change comes about when we all work together. That’s why, at the Y, strengthening community is our cause. Everyday, we work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow and thrive. The Y is a place where kids find direction, families come together and people rally to make a difference.

We are so much more than a gym. We are a cause, dedicated to youth development, healthy living and social responsibility. For years, we’ve been proud to help our neighbors learn, grow and thrive. Yet we’re called to do so much more.

Did you know that the Oahe Family YMCA never turns a person away if they are unable to pay? As a charitable nonprofit organization, we offer financial assistance to individuals and families who cannot afford our services. Each year we help countless families and children, as well as partner with various organizations in our community focusing on youth development, healthy living and social responsibility.

The Y is proud to offer a safe place for everyone, with a wide range of activities that give the opportunity to make friends, have fun, get active and discover who they are and what they can achieve. When you give to our annual campaign, you help us provide services that nurture the potential of youth.

THE UNITED WAY & THE YMCA

The Oahe Family YMCA is a proud partner agency of the Capital Area United Way. The United Way supports the YMCA with yearly funding that is used in the Y Partners financial assistance program. This program provides financial assistance for those who would like to participate in YMCA membership and/or program activities but may not be able to afford it.

Thank you for supporting the Capitol Area United Way and the Y Partners Campaign!
